Section 23a of the state construction code act of 1972, Act No. 230 of Public Acts of 1972, being section 125, 1523a of the Michigan Compiled Laws, Prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who perform work on residential building or a residential structure. Violators of section 23a are subjected to civil fines.

R105.5 indicates that permits "shall" become invalid if work is not commenced within 180 days. A refund may be obtained on a valid permit if a request is submitted in writing prior to the expiration of the permit. The refund will be less the application fee, plan review fee, 25% of the permit fee and any inspections that have been completed. Expired permits cannot be refunded.
